*Please swap with someone if you have a problem with the dates allocated to you and let me know the outcome. It would be very much appreciated if you could give Jill Ashcroft a copy of your intercessions before the service starts.*
*You are very welcome to write your own intercessions, in any format you feel is appropriate. I have a number of resources and specimen intercessions that you can use or adapt. I also have a number of books on leading intercessions than I am happy to lend people (as long as I get them back!)*
*I'll send suggestions etc. early each week to the intercessor, usually by Tuesday evening. There are also central CofE suggestions for intercessions for specific points in the Church Year at this link:*
