Please swap with someone if you have a problem with the dates allocated to you and let me know the outcome. It would be very much appreciated if you could give Jill Ashcroft a copy of your intercessions before the service starts.

You are very welcome to write your own intercessions, in any format you feel is appropriate. I have a number of resources and specimen intercessions that you can use or adapt. I also have a number of books on leading intercessions than I am happy to lend people (as long as I get them back!) I'll send suggestions etc. early each week to the intercessor, usually by Tuesday evening.

There are also central CofE suggestions for **intercessions for specific points in the Church Year** at this link:
